## 59th Annual Paving Conference

Date: **Friday, April 7, 2017**

Time: **8:00 am – 11:30 am**

Place: **Best Western Plus, North Haven**

### Featuring:

#### Design Consideration for Asphalt Binders

By **Dr. Geoffrey Rowe, PE, President, Abatech Consulting Engineers** - *In addition to his engineering firm, Dr. Rowe teaches asphalt materials and pavement design, and leads various research efforts on the performance of materials and the development of specifications.*

The presentation will consider the **key distresses** that can result from **inadequate binder quality** and suggest **modification routes** to **improve binder performance** and how to **measure and specify products** for use today and into the future.

**Promote Your Company** and be recognized before a variety of producers, contractors and suppliers of the asphalt paving industry, as well as state and town officials. All sponsorships include ad space in the Program.

### Sponsorship opportunities:

#### \$2,500 Program:
