

Connecticut Construction Industries Association

The CCIA Safety Committee Presents:

A SAFETY ROUNDTABLE DISCUSSION

Confronting Hazardous Building Materials On The Worksite

*Presented by: Ryan Pilozzo
Loureiro Engineering Associates, Inc.*

Our next Safety Roundtable will feature a presentation by Ryan Pilozzo, Vice President of Environmental Safety & Health for Loureiro Engineering Associates on what Health & Safety Professionals should do when confronted with hazardous building materials on the worksite. Among the issues that will be covered: what are the proper steps to ensure worker safety when hazardous substances are discovered?; what are the potential hazardous substances typical on a construction site?; and what preparations should safety professionals take in case hazardous substances are discovered?

The CCIA Safety Committee will meet immediately after the Roundtable.

**12:00 noon, Tuesday, January 15, 2019
CCIA, 912 Silas Deane Highway, Wethersfield
Lunch will be provided**

Please register by Monday, January 14, 2019.
