The CCIA Safety Committee Presents:

A SAFETY ROUNDTABLE DISCUSSION

How To Avoid Falls: Ladders, Scaffold & Fall Protection Awareness

*Presented by: Kevin Prior, Exec. VP
American Ladders & Scaffold Corp.*

Our next Safety Roundtable will feature a presentation on Fall Protection by Kevin Prior, Executive Vice President of American Ladders & Scaffold Corp. The presentation will focus on three areas: (1) Ladders: proper selection, material size and type of ladders, inspection process and key areas of concern, correct set-up and use; (2) Scaffolds: OSHA requirements for competent person training, proper selection, guard rail and access requirements; and (3) Fall Protection: personal fall arrest systems, guard rails, full body harness, connection devices, etc.

The CCIA Safety Committee will meet immediately after the Roundtable.
