

O&G Industries seeks an experienced **Concrete/Building Foreman** to join our Building Group. This is a union position and we will assist in the union application process if needed.

**What You'll Be Doing:**

- Plan, organize, supervise, layout and perform journeyman-level carpentry- both alteration and construction
- Provide immediate supervision to a small on-site team
- Perform individual tasks related to the job-site requirements
- Complete purchase orders
- Maintain quality control
- Interact with clients
- Coordinate and schedule other trades as required
- Review shop drawings
- Complete layout

**Who We Are Looking For:**

- Considerable knowledge of concrete, rough and finish carpentry, building techniques of new and remodel construction, masonry, steel erection and wood construction
- OSHA 30-hour certified- although we will assist in acquiring required certification
- Willing to travel within CT

**What We Offer:**

- Competitive salary
- Earned Time Off
- Paid holidays
- Company vehicle

O&G Industries is an Equal Employment Opportunity/Affirmative Action Employer that recruits qualified applicants and advances in employment without regard to race, color, religion, age, gender, gender identity, gender expression, sexual orientation, ethnic or national origin, genetic information, disability, marital status, veteran status or any other status protected by applicable federal, state, or local laws. O&G Industries also prohibits harassment and/or retaliation of applicants and employees based on any of these protected categories.

Women and Veterans of the US Armed Services are encouraged to apply.

We are an E-Verify Participating Employer.
