- Wire Rope Slings
- Chain Slings
- Synthetic Slings

Due to popularity we are offering two dates.

Tuesday February 3, 2026
Wednesday, February 4, 2026

This is not a two day course.

Will attending this seminar mean I'm a qualified rigger? Participants who attend the full course will receive a certificate of attendance. This **does not** mean they are "qualified" or "certified" but helps with evidence of training.
