

Foundations for Safety Leadership

Foundations for Safety Leadership - Train the Trainer

Thursday, May 1, 2025 | CCIA Training Room | 7:30-10AM

Ready to expand your training skills?

Train the Trainer prepares you to teach others the Foundations for Safety Leadership.

Student Objectives:

- Explain the goal of the Foundations for Safety Leadership training module and the 3 learning objectives.
- Describe the two main sections of the FSL module, key training elements in each one, and some of the activities.
- Discuss teaching tips for conducting the FSL.
- Explain why reviewing the full instructor guide is critical prior to teaching the FSL module.

Cost \$40 - Breakfast Provided

Presented by: Bob Kunz, Corporate Safety Director,
Dimeo Construction Co.
