

Project Managers- Building Group

O&G Industries, Inc., based in Torrington, CT seeks building construction Project Managers.

O&G **Project Managers** lead, direct and supervise the project team to successfully execute project completion. This includes overall plan direction with a critical focus on financial and operational priorities and owner and labor relationships. Strong professional presence is essential as you will provide jobsite leadership in the areas of quality and safety.

You are the primary liaison with owners/architects/engineers and will work collaboratively with the job site Superintendent to meet owner expectations and are responsible to develop and implement overall project work schedules identifying the critical path to successful completion. You also ensure strict adherence to ethics and compliance requirements.

You are a construction professional with the following qualifications:

- BS and/or MS degree in Engineering or Construction Management
- Thorough knowledge and understanding of the contract documents, drawings, specifications, construction means and methods, materials and survey methods and overall construction planning and cost control
- Ability to implement Lean construction principles
- A proven dedication to Safety - OSHA 10 certification required; OSHA 30 is preferred - this means deep knowledge and appreciation of safety processes and the ability and confidence to enforce job-site safety expectations
- Between 5-7+ years in the lead role
- Previous experience with construction valued at \$15-\$30 million
- JD Edwards, Textura, P6 and BIM 360 Field experience a plus

O&G Industries is an Equal Employment Opportunity/Affirmative Action Employer that recruits qualified applicants and advances in employment without regard to race, color, religion, age, gender, gender identity, gender expression, sexual orientation, ethnic or national origin, genetic information, disability, marital status, veteran status or any other status protected by applicable federal, state, or local laws. O&G Industries also prohibits harassment and/or retaliation of applicants and employees based on any of these protected categories.

Women and Veterans of the US Armed Services are encouraged to apply.
