

Superintendents- Building Group

O&G Industries, Inc., based in Torrington, CT seeks building construction **Superintendents**.

O&G Superintendents are proven leaders with seasoned technical experience and excellent communication and interpersonal skills - you will help us develop and lead high performing teams. You will also provide both administrative and technical management support by directing the team to ensure high-quality, safe, and clean work that meets project schedules and budgets.

You are a construction professional with the following qualifications:

- 3-7+ years of building construction experience required, or an equivalent combination of education, training and/or experience
- Thorough knowledge and understanding of the contract documents, drawings, specifications, construction means and methods, materials and survey methods
- Knowledge of construction planning and cost control
- Ability to implement Lean construction principles
- A proven dedication to Safety - OSHA 10 certification required; OSHA 30 is preferred - this means deep knowledge and appreciation of safety processes and the ability and confidence to enforce job-site safety expectations

O&G Industries is an Equal Employment Opportunity/Affirmative Action Employer that recruits qualified applicants and advances in employment without regard to race, color, religion, age, gender, gender identity, gender expression, sexual orientation, ethnic or national origin, genetic information, disability, marital status, veteran status or any other status protected by applicable federal, state, or local laws. O&G Industries also prohibits harassment and/or retaliation of applicants and employees based on any of these protected categories.

Women and Veterans of the US Armed Services are encouraged to apply.

We are an E-Verify Participating Employer.
