

**Project Engineer**

Manafort-Precision, LLC has an immediate opening for a Project Engineer in its Worcester, MA office. We are looking for an individual with up to five (5) years construction industry experience, preferably in the concrete construction field. A four (4) year Engineering or Construction Management degree and a general understanding of project controls and submittal process is preferred. This is an exciting opportunity for the right individual to enter a fast-paced, growth oriented company while working on high visibility land development and transportation projects.
