

## **JOB TITLE: COST ACCOUNTING MANAGER- TORRINGTON**

O&G Industries, Inc., located in Torrington, CT, seeks a **Cost Accounting Manager** to join our team.

The Cost Accounting Manager will manage the design and implementation of cost control procedures for the building materials and construction divisions in the decision-making processes. This role will oversee and standardize construction billing and construction management reporting functions.

### **Responsibilities:**

- Work with the operational management teams to prepare unit cost budgets
- Ensure the proper systems and procedures are in place at the operational sites to collect and input data necessary to monitor performance
- Monitor actual unit cost and analyze significant variances
- Prepare periodic cost reports and ad hoc analyses for management
- Monitor projects during execution by analyzing the achieved results and comparing them with budget to identify variations from plan
- Assist and monitor construction billing department
- Provide Construction Management group with accounting and owner reporting support
- Perform periodic audits of Construction Management owner reports to ensure clear, accurate information is being reported in a consistent and standardized manner

### **Qualifications:**

- Bachelor's degree in accounting, finance or related field
- Significant cost accounting and construction experience required
- Knowledge of US GAAP accounting principles and financial management
- Proficiency in the use of various software applications – Microsoft Suite
- Advanced knowledge of relational databases and reporting tools
- Excellent verbal and written communication skills
- Demonstrated analytical skills
