

JOB TITLE: FACILITY MAINTENANCE TECHNICIAN- BRIDGEPORT

O&G Industries, Inc., an innovative and diversified construction and building materials company based in Torrington, CT, seeks a skilled **Facility Maintenance Technician** to join our Masonry team in Bridgeport. We are a highly respected leader in our field and ranked as one of the top construction and material supply companies in Connecticut.

The person in this position is responsible for the overall repair and maintenance of and improvements to physical facilities and equipment at our Bridgeport mason facility.

We look for someone who is knowledgeable in numerous trades and enjoys doing hands-on work. Your job is to provide continued maintenance and repairs to all machines as well as general upkeep for our facility.

We look for individuals who have experience in plumbing, electrical and carpentry. You are also computer literate and enjoy working on a team. Some overtime is required.

We offer a competitive benefit and compensation package along with a 401(k) match.

Additional requirements:

- High School education or equivalent (GED) with strong mechanical aptitude
- At least 3 years of experience in property management, maintenance, or related field
- Thorough knowledge and understanding of occupational hazards connected with a machine shop and general plant practices with a focus on safety
- Physical Demands - work is active requiring frequent lifting up to 100 lbs., reaching and bending. There is also frequent use of hand and power tools associated with typical commercial machine repairs. Must be able to navigate a machine site.
