

O&G Industries seeks an experienced **Working Carpenter Foreman/Superintendent** to join our Building Group. This is a union position and we will assist in the union application process if needed.

What You'll Be Doing:

- Plan, organize, supervise, layout and perform journeyman-level carpentry- both alteration and construction within our state hospitals
- Provide immediate supervision to a small on-site team
- Perform individual tasks related to the job-site requirements
- Complete purchase orders
- Maintain quality control
- Interact with clients
- Coordinate and schedule other trades as required

Who We Are Looking For:

- Considerable knowledge of rough and finish carpentry, building techniques of new and remodel construction, masonry, concrete, and wood construction
- Understanding of Infection Control Risk Assessment procedures to properly perform on-site work is a plus
- Healthcare experience is a plus
- OSHA 30-hour and ICRA certified- although we will assist in acquiring required certification(s)
- Willing to travel within CT
- Able to pass a background screen and drug test
- COVID fully vaccinated
- Receives an annual flu shot

What We Offer:

- Competitive salary
- 401(k) plan with company match
- Health, Vision, and Dental Insurance
- Earned Time Off
- Paid holidays
- Company paid life and long-term disability insurance
- Company vehicle

O&G Industries is an Equal Employment Opportunity/Affirmative Action Employer that recruits qualified applicants and advances in employment without regard to race, color, religion, age, gender, gender identity, gender expression, sexual orientation, ethnic or national origin, genetic information, disability, marital status, veteran status or any other status protected by applicable federal, state, or local laws. O&G Industries also prohibits harassment and/or retaliation of applicants and employees based on any of these protected categories.
