

Submission to USDOL - (FFCRA)

CCIA Members:

Please see below. The United States Department of Labor is starting a dialogue on the Families First Coronavirus Response Act (FFCRA). This is a great opportunity to raise issues to inform their upcoming guidance on the sick leave and FMLA portions of the Act.

This is a little different from a traditional notice and comment rulemaking. They are hosting an “online dialogue” through **March 29 as well as a twitter chat on March 25.**

Please send me issues you would like to see raised in any upcoming guidance. I can compile them all and submit them for you in conjunction with the ARTBA response.

Since they are doing this on a very accelerated pace, I ask that you send any submissions to me at dshubert@ctconstruction.org by COB on Thursday, March 26.

Thank you,

Don

The U.S. Department of Labor will be hosting a national online dialogue to provide employers and employees with an innovative opportunity to offer their perspective as the Department develops compliance assistance materials and outreach strategies related to the implementation of the Families First Coronavirus Response Act (FFCRA).

The ideas and comments gathered from this dialogue will inform compliance assistance guidance, resources, and tools, as well as outreach approaches, that assist employers and employees in understanding their responsibilities and rights under the FFCRA.

We need your input by March 29, 2020. Anybody who is interested can participate online at <https://ffcra.ideascale.com> from March 23 through March 29, 2020 or can join a Twitter chat hosted by [@ePolicyWorks](https://twitter.com/ePolicyWorks) on March 25, 2020 at 2 p.m. using the hashtag #EPWChat.
