The CCIA Safety Committee Presents:
A SAFETY ROUNDTABLE DISCUSSION

Blurring the Lines: Integrating Mental Health

Presented By:
Kahlilah Guyah, CHMM, CSP
EHS Compliance Services, Inc

In this interactive workshop, Kahlilah Guyah focuses on effective integration of mental health into environmental, health, and safety systems. This interactive discussion will:

- Highlight important terminology and statistics about mental well-being;
- Review factors impacting mental well-being in the workplace;
- Review signs and symptoms of the most common mental illnesses;
- Review useful elements and considerations in building a psychologically and safe workplace.

The CCIA Safety Committee will meet immediately after the Roundtable at 1:15 p.m.
