EQUIPMENT MAINTENANCE FORUM

CCIA Equipment Maintenance Forum members include managers, mechanics, operators, dealers, suppliers, and company owners. The members share a common interest in innovation, technology, and working smarter. They learn from special guest presenters and each other at in-person monthly meetings. They share resources and support each other as they work as a group to stay abreast of the ever-changing regulations and technological advancements. The forum offers a unique opportunity to participate in a network of experts in the field.

EMF meets the 3rd Thursday of every month (*excluding June, July & August*) for a Presentation and Dinner.
