GUEST PRESENTATION BY

TRAVIS ELLIS

*CO-FOUNDER OF
SHEPHERD'S MEN*

A Georgia native, Travis is a business owner, community leader, civilian patriot and proud father of three children. His admiration and respect for veterans began as a kid hanging out with his grandfather, a World War II veteran and his best friend. Determined to make a difference in the lives of veterans with TBI and PTSD, Travis co-founded Shepherd's Men in 2014.

Travis will be joined by special guest Jorge Rodriguez, Fleet Marine Force Corpsman in the U.S. Navy (Retired), SHARE Military Initiative graduate and member of Shepherd's Men, who will share his testimony.

All proceeds will be donated to [Shepherd's Men](#) a nationally known organization that aligns with SHARE Military Initiative, a renowned program that focuses on comprehensive assessment and treatment for military veterans who have sustained mild to moderate Traumatic Brain Injury (TBI) and Post-Traumatic Stress Disorder (PTSD) during post-9/11 service.
