

Connecticut Construction Industries Association

The CCIA Safety Committee Presents:
A SAFETY ROUNDTABLE DISCUSSION

**Demolition, Remediation Waste, and Deconstruction:
Environmental Safety & Health Requirements
You Should Know About**

**Presented by Ross Bunnell, Sanitary Engineer
Department of Energy and Environmental Protection (DEEP),
Waste Engineering and Enforcement Division (WEED)**

This program will present an overview of the environmental safety and health requirements on renovation and demolition projects, and provide tools to help contractors avoid problems before they happen. Mr. Bunnell will cover such subjects as dealing with asbestos, lead, fugitive dust and emissions, wastewaters, sandblasting, construction and demolition waste, and PCB's, among other environmental issues contractors may encounter on renovation and demolition sites.

The Safety Committee will meet immediately after the Roundtable.

**12:00 noon, Tuesday, October 11, 2011
CCIA, 912 Silas Deane Highway, Wethersfield, CT
Lunch will be provided**

Space is limited so pre-registration is required. Please register by Monday, October 10, 2011.
